

MASS CASUALTY INCIDENT (MCI) PROVIDER TRAINING

The NH Division of Fire Standards & Training and Emergency Medical Services (FST & EMS), in cooperation with the NH Bureau of Emergency Management (HRSA/CDC Bio-terrorism grant funding), is sponsoring 4-hour mass casualty provider Regional training sessions.

Each program will utilize the updated New England Council for Emergency Medical Services (NECEMS) "STEP-UP to Mass Casualty Incidents" CD-ROM format to provide the foundation for mass casualty training for emergency responders.

Entry level MCI training is conducted in a classroom setting covering 3 areas of MCI scene management:

1. Transition from Day-to-Day EMS to MCI Horizontal Triage
2. Four levels of MCI triage
3. EMS in the Incident Command System
